Buyer and Escrow Agent and neither party shall have any obligation to the other. Buyer's failure to notify Seller Feasibility Termination Date that it will proceed with this transaction shall constitute Buyer's disapproval of the Purchased Assets and termination of this Agreement.

**5.3 Buyer's Inspection of Property.** Prior to the Closing, Buyer shall have inspected the Property to the extent Buyer deems necessary or desirable. Buyer and its employees and agents shall have the right and permission from the date hereof until the Closing Date to enter upon the Property or any part thereof at all reasonable times and from time to time for the purpose, at Buyer's sole cost and expense, of inspecting the same and making all tests or studies required in connection with the matters requiring Buyer's approval hereunder. Buyer shall indemnify and hold harmless the Seller from and against any and all claims or demands arising out of Buyer's inspection of the Property, including mechanic's or other liens or claims that may be filed or asserted against the Property or Seller by anyone performing any such work on Buyer's behalf. The indemnification by Buyer shall survive the Closing or the termination of this Agreement, as the case may be. Buyer shall be obligated to restore any damage to the Property to as near its original condition as may be feasible.
